

UWANFC Volunteer Policy and Program

Having active volunteers is critical to UWANFC being able to deliver all our football programs to our members. Also, being a university club, we understand cashflow can be tight for many of our members, so volunteering is another way to help us keep annual costs as low as possible.

Volunteering your time is the single most important thing that the Club needs. Every volunteer hour donated to the Club means we do not have to pay someone to deliver critical Club services. So, here is how it works at registration.

- When you register as a member you are expected to contribute 1 Volunteer session (about 3 hours) per season. If you register as a family (multiple members), you still only need to contribute 1 Volunteer session.
- If you do not want to commit to Volunteering, you can pay a \$250 Volunteer levy to the club to enable us to provide these services.
- No registration can be completed without a commitment to the Volunteer Program- by either your time or your money!

And here is how it works in practice during the season.

- Registration will only be approved once you have completed the volunteer form and made your commitment.
- You will have the opportunity to change your volunteer slot once fixtures are released.
- You will be sent a reminder 2 weeks ahead of your chosen commitment.
- A non-response to the reminder will be taken as confirmation of attendance.
- If you cannot attend, you can arrange a new date by completing the form [VOLUNTEER HERE](#). This must be done 7 days ahead of your original volunteer slot.
- If after that you cannot make it, YOU must arrange a replacement (i.e. it is your job to find a replacement, not the clubs). You must also inform the club info@uwanfc.com.au
- Non-attendance will result in an invoice for \$250 (volunteer levy).
- If payment is not made you risk de-registration.

Thank you for your support in helping the UWANFC prosper and flourish. We look forward to having you join our community in 2024.
